

3.3. J. 21 – A Motion to Change the title of the SSC Charitable Development Convener

THIS SRC AND SSC NOTE:

1. The name Charitable Development Convener doesn't accurately represent the responsibilities of the position; and,
2. The confusion regarding the name has limited the number of students who seek help from the Charitable Development Convener.

THIS SRC AND SSC BELIEVE:

1. Position titles should be indicative of the duties held by each member of the SSC;
2. A title change to the position of SSC Charitable Development Convener would clarify the role of the position;
3. Changing the title will benefit the greater student body and make the services of the Charitable Development Convener more widely accessible; and,
4. The duties of the position are such that the position can now be elected in the annual student elections.

THIS SRC AND SSC RESOLVE:

1. To change the title of SSC Charitable Development Convener to SSC External Funding Officer;
2. In accordance with the title change the position of SSC External Funding Officer will be elected each year in the annual student elections; and,
3. To recommend to SAB that the Laws be amended accordingly to reflect these changes.

Proposed by Mr Tantillo and seconded by Ms Gold.
