6. Reports of the Sabbatical Officers

6.1. Report of the Athletic Union President

Fiona Murray (FM) noted that all BUCS fixtures were now over for winter sports. St Andrews Water Polo were British champions and the men's hockey team won the Conference Cup – congratulations were minuted. Overall, St Andrews was currently ranked 30th in the UK for University sport.

This week applications to join the AU exec would be open – they should be emailed to aupres@st-andrews.ac.uk. Alumni Festival Weekend was this weekend and there would be a sports showcase from 11am – 2pm on Saturday. Next Tuesday would be the Jonny Wookey Ice Hockey, St Andrews vs Edinburgh: buses to Dundee had been arranged.

6.2. Report of the Association President

Paloma Paige (PP) said that it was great to start working with the new Council members. The updated sustainability policy would be presented later in this meeting: PP had been working w Lauren Davis (LD) the other sabbatical officers and management staff on developing this. The Association would be hosting a student housing panel Q&A session in Parliament Hall on Thursday, featuring staff from the University and the founder of Marks out of Tenancy. Also on accommodation, PP was organising an accommodation enabling strategy as part of the University's strategic planning process.

On Saturday there would be a public meeting where the Principal, President, Vice-Chancellor and senior governor of the University Court would be talking about student participation in University governance. Pre-registration was required.

Alumni festival weekend was coming up and PP recognised the amazing job that Alumni subcommittee had done.

Finally, although Brexit had been delayed, it was still an ongoing issue and if officers had any concerns they should pass these to the sabbaticals.

6.3. Report of the Association Director of Events & Services

Adam Powrie (AP) noted that along with staff and other officers he was trying to streamline events planning. The website had been updated to make this easier. Members organising events should follow the instructions on website, including risk assessments and as many details of the event as possible. They should also attend the ents users meetings.

AP was also fully engaged in Graduation and Summer Ball planning. Tickets were now on general sale and going steadily: they were expected to sell out. After interviews, Paul Lancaster (PL) would be returning as Ents convener – congratulations were offered to Paul.

6.4. Report of the Association Director of Student Development & Activities

Jamie Minns (JM) noted that a room booking guide was now available. The Association in conjunction with CAPOD had launched a 'student leader of the year' award. Further details of this were in the all-student email from the sabs this week. Any information for future sab emails should be passed to sabbaticals.

It was now AGM season: subcommittee heads should remember to invite the relevant sabbatical to attend. All subcommittees were invited to have stalls at alumni festival weekend and the offer-holder day. Finally, JM stressed to new members that the sabbaticals were here to help: Council members could simply come by or email any time.

6.5. Report of the Association Director of Education

Alice Foulis (AF) informed Councils of updates from the Library: most importantly, the system had changed so that borrowings would automatically renew unless the book was recalled. There would also be new inter-library loans for articles. Library exam period opening times would be released soon.

CAPOD were offering 'successful revision' sessions, to be booked in advance via their website. The University digital strategy was looking for student feedback – a session would be held in the Arts Building Seminar room 2 on Wednesday this week. The University were launching a new element of MySaint which would allow students to look for study spaces in real time across the campus.

6.6. Report of the Association Director of Wellbeing

Nick Farrer (NF) reported that Wellbeing Week was ongoing. The Equal Opportunities committee would meet shortly, and an Inter-faith steering group member would be joining. A feedback session on NHS provision had happened today: NF had given input on sexual health and trans issues. There would be a University mental health strategy meeting soon. LGBT+ would be holding Glitter Ball.

On out of hours care, the favoured option at present was to go to the Integrated Joint Board on the 26th April: the SRC meeting preceding this would be asked to endorse this option.

10.2. J. 19-5 Motion to update the University of St Andrews Students' Association's 2017 Sustainability Policy.

As PP was the proposer for this motion, it was **agreed without dissent** that NF should chair this item.

PP reiterated that the policy had been developed with staff and other stakeholders in the Association. It would be revised annually to incorporate best practice. The aim was to follow the University strategy and keep social responsibility at the forefront, and to increase awareness.

The Chair moved to questions. CB asked about key changes? PP noted that areas had specifically assigned ownership, and the policy mandated the President to keep progress under review. BMC asked about Fairtrade policy, noting that some companies don't have a Fairtrade logo but adhere to fair trade standards. Could such companies be used under the policy? PP said that the aim was for flexibility, and that the fair trade policy was to be updated.

The Chair then moved to debate the motion. JM noted thanks to LD and PP for their work, then moved to vote. There was no dissent to moving to a vote.

The motion was **passed without dissent**.

10.3. J. 19-6 Motion to restructure the Committee of Saints LGBT+

PP resumed the chair.

PH introduced this motion, explaining that it involved returning to the old name of secretary after a move to 'communications' and changing the role of the social officer to give more control over social events. It also added some minor positions.

There were no questions on the motion. The chair moved to debate. NF said that the changes seemed organic and reasonable and would help LGBT+ run better. PH noted that a reference to the DoES in the text of the motion should instead refer to the DoSDA and asked to amend. JM seconded this – the amendment was passed without dissent.

AP moved to vote on the motion. There was no dissent to moving to vote. The motion as amended was **passed without dissent**.

11. New General SSC Business

11.1. Carve-Ups for Discipline Committee

The following nominations were received:

Frankie Borderie (FB) – self-nominated, seconded AP.

Olivia Wiggins (OW) – self-nominated, seconded AP.

Markus Lee (ML) – nominated TV, seconded JM.

Tom Groves (TG) – nominated AF, seconded JM.

Leah Allcock (LA) – self-nominated, seconded JM.

Gavin Sanford (GS) - nominated Manaal Mahjoub (MMa), seconded JM.

After speeches, questions and voting, Leah Allcock and Markus Lee were elected to these positions.

11.2. S. 19-1 A motion to replace the Broadcasting Society (STAR) Constitution

TG introduced the motion, saying that it reflected current practice. The main change was adding a head of production and STAR TV position.

The Chair moved to questions. JM asked how STAR TV would differ from Station Soc (formerly known as Bubble TV)? TG answered that STAR TV would focus on internal STAR activities.

There was no debate on the motion. JM moved to vote, with no objection. The motion was **passed without dissent**.

11.3. S. 19-3 A Motion to replace the Music Subcommittee's (MiL or SAM) Constitution

DF introduced the motion, saying that the old constitution was dated, containing little structure or description of remits: this was therefore best regarded as a complete rewrite. The aims had been updated to reflect current practice.

The Chair moved to questions. ML asked about any clash with MusSoc? DF replied that MusSoc and the University Music Centre tended to do classical music, whereas Music Is Love was based more on bands, drumkits, guitars, the sort of music based in the Union rather than the Music Centre. NF asked if MusSoc had been asked for their opinions? DF said that they had, and that the withdrawing of the proposed name change in the now-abandoned S. 19-2 was due to their concerns.

The Chair then moved to debate. AP proposed to amend the motion to remove the words 'or SAM' wherever they occurred. AF seconded. This amendment was **passed without dissent**.

JM moved to vote on the motion: there was no dissent to this. The motion was **passed without dissent**.

11.4. S. 19-4 A Motion to Restructure the Societies Committee

ML introduced. He noted that the committee wanted to remove one elections advisor as members no longer automatically had to attend every AGM. Meantime the affiliations adviser workload had increased so the motion added another such position.

JM moved to vote on the motion: there was no dissent to this. The motion was **passed without dissent**.

11.5. S. 19-5 A Motion to Include Outgoing UDS Communications Secretary on Interview Panel

TV introduced, noting that the skills and knowledge of the outgoing communications secretary made them relevant to the interview. If that person was reapplying, the incoming DoSDA would take their place.

JM moved to vote on the motion: there was no dissent to this. The motion was **passed without dissent**.

12. New General SRC Business

12.2 Co-option of SRC Postgraduate Development Officer

No nominations had been received for this position during the election. However, one student had come forward since nominations closed, Ana Maria Neferu. With no dissent, Ana Maria Neferu was co-opted to fill the vacancy of Postgraduate Development Officer when the term of the current holder ends.

ASSOCIATION OFFICER REPORTS

Association Alumni Officer – Olivia Wiggins

Since being elected I have met with Olivia, the current Alumni Officer, to discuss the role and the upcoming Alumni Festival Weekend. I have also sat in on a festival planning meeting alongside representatives from the AU, Alumni Committee, Sabbatical team and Development Office. Details regarding catering, the programme of events and the logistics of AU and Student's Association tours were finalised in this meeting. Over the course of Alumni Weekend, I will support Olivia and her team during registration sessions, the Pub Quiz and the Union Showcase. I intend to advertise the AGM for my new sub-committee following the completion of Alumni Weekend.

Association Community Relations Officer – Morgan Morris

Community Relations has been relatively quiet since elections as we have been tying up loose ends with last year with our cycling campaign and our involvement in the alumni festival. Coming up over the next few weeks will be forming this next years committee, applications are open now and working with wellbeing for the May Dip Campaign. We will also be beginning our Your St Andrews booklet for distribution in freshers week - if anybody would like to contribute to this please let me know.

Association Environment Officer – Lauren Davis

April is going to be busy with Environment activities every week! From helping out with Wellbeing Week (8), to Fashion Revolution Week with Sustainable Style, and Earth Year-themed events, it's sure to be a success. Additionally, I will be choosing my Subcommittee in the next week, so I am excited to get to work as I have many plans and ideas for next year.

Association LGBT+ Officer – Parker Hansen

Nothing much to report. Have been working on Pride and on restructuring the current committee. Also partially finished handover with Zelda and will slowly start co-chairing meetings before taking over after the AGM.

Association Lifers Officer – Sandra Mitchell

I'm still currently working away on the UC campaign that I started on before joining councils officially. There has been a further update from Lesley Dunbar, Director of SWAP and a student from Stirling university. It potentially looks like Lone parents may now be getting refused the lone parent grant SAAS because of the way UC is paid. This is something I will be looking into more to find out exactly what is happening.

We are having a carers cuppa in society room D on the 3rd April from 13.30-1500. A student approached us for help in connecting with other students who have caring responsibilities or have experience with caring responsibilities and we felt this might be a good way to try and connect.

We are also having our AGM on the 8th April where we will be putting together our new committee. I'm hopeful that we may have new committee members who are part of the wider student community so we can make more progress on bridging the gap between 'non traditional' and 'traditional' students.

SRC REPORTS

SRC Accommodation Officer – Charles Barker

Handover from Lucy Allat – the previous Accommodation Officer – has 'officially' occurred over

spring break. We have agreed to have a transition of a couple of weeks where we both have access to the srcaccommodation@ email due to ongoing commitments of Lucy's which will be concluding soon (eg the How to Leave guide). This also gives me time to get properly settled in to the position.

I am figuring out what I want from a subcommittee for the next year, and will open applications soon (this should be done by the time the Joint Councils meeting rolls around).

Over the past week, Lucy and I have liaised with CAPOD regarding the hall committee training set to happen on the 29th of April for incoming hall committee members. The main outcomes of that meeting included more time discussing events management and including some basic finance training for all. We're also considering directing members to CAPOD's professional skills curriculum to work on skills not touched on during the training, as the new schedule for the training day is set to be more specialised than before.

There is a senior student forum on the 8th of April scheduled, which will focus primarily on the outgoing hall committees' thoughts on our changes to the training session.

SRC Member for First Year – Polina Sevastyanova

No report submitted.

SRC Member for Student Health – Emma Walsh

I don't have much to report, other than that I've done my handover with Nick and discussed the new options for out of hours at the hospital as well. We also went over how to achieve things in the coming year. In terms of Wellbeing, I've been very busy planning Wellbeing Week and we have about 16 events coming up next week with it which I will be overseeing. After Wellbeing Week is over, I plan to start looking into contacts within the NHS to see about improving the Health Hub.

SRC Member for Gender Equality – Leo Capelier

I have begun to implement my principal agendas of raising awareness of the gender-related support on offer, as well as ensuring there is sufficient and accessible sexual health support. I contacted the design team and asking for a meeting to create a poster outlining where to go for support within the university in addition to support helplines targeting specific gender related issues such as LGBT support, sexual violence and mental health support. This poster will be distributed around all university owned buildings with the hope that it is placed in every toilet cubicle in halls of residence. It is essential to couple helplines with accessible services to ensure students can maintain good sexual health, so I have contacted NHS sexual health scotland explaining the need for a pop-up sexual health clinic at the union and a need for greater awareness of STDs during freshers (e.g. handing out free chlamydia tests).

Despite arranging a time for my handover, my predecessor failed to attend nor make further contact, therefore I arranged a meeting with my line manager to discuss my role and how to go about achieving my aims. Also, I hope to explore the possibility of setting up a meeting (or several) with the heads of gender-related societies to discuss what specifically needs to be tackled in St Andrews.

SRC Member for Racial Equality – Zoe Nengite

Nothing to report.

SRC Member for Students with Disabilities – Emily Muller

No report submitted.

SRC Member for Widening Access and Participation – Brittany Swires

I am in the process of writing an open letter to Admissions regarding the recent changes to paid Ambassador work, as this has caused many students a lot of difficulty. I have also begun to create an anonymous form for people to submit their own opinions on the changes, which I will attach to the letter. I will be meeting with Ciara as soon as possible for handover. I plan on meeting with Paloma and Nick this week in order to discuss my goals for the Member for WAAP role. I will also be working on a general anonymous form for any students to address their concerns in relation to WAAP. The things I really want to focus on in the immediate future are starting-out grants for incoming students, an online support group for students from widening participation backgrounds, and addressing the damaging changes to Ambassador work.

Arts/Divinity Faculty President – Gianluca Giammei/Sophia Rommel

As I was only recently elected as the next Arts/Divinity Faculty President, I have not done much as of yet. Nonetheless, I have set up a meeting with the Philosophy PGR Class Representative to discuss tutor pay issues across different Schools. What initially started as this Rep advocating for higher tutor pay within the Philosophy Department has now expanded to a body of postgraduate tutors in the Arts advocating for increased tutor pay. The Rep is looking to take this movement further and has asked for my continued support on the above issue. Thus, I hope that our meeting can enable us to discuss the above further, including brainstorming ways of moving forward. This matter is also something I would like to discuss with the current Arts/Divinity Faculty President, Science and Medicine Faculty President and Director of Education (as well as their respective 'incoming counterparts') and I think that the perfect opportunity to do so is at our Handover meeting (which will take place on the 12th of April) – I'm looking forward to it!

Science/Medicine Faculty President - Alisa Danilenko/Dennis Goodtzov

Up to this point nothing substantial has been planned or done. A meeting with the current and future DoEd has been set up with myself and Sophie (Arts/Divinity Faculty President) for April 11th to further assist us with the transition, as well as get us more acquainted with one another. A plan I have set is to email the entire SciMed Faculty from the SciMed Faculty President email account introducing myself and describing my role to them. There is nothing else to report.

SRC Postgraduate Academic Convener –Ashley Clayton/Emma Whitefield

I recently ran an investigation into whether PGT students felt that they were being supported with essay samples from their school, where appropriate or not. I have reported the findings to Academic Monitoring Group which I attended on the 25th of March, and will be continuing to support PGT Representatives where the findings have been negative.

I have written an application on behalf of the Postgraduate society and St Leonard's College for the PG Development fund, to put on another PGR Getaway to The Burn for August of 2019. In the event of a successful application, I will be working towards getting the relevant service units together to provide workshops for this getaway in the coming month.

I have been finding PGT students to engage in the Masters Student "Golden ticket" working group lunch, though this was sadly cancelled.

I will be meeting with the DoEd and Faculty Presidents on Saturday 30th of August to devise a shortlist for the Association's teaching awards.

I am in the process of booking the next PGR and PGT Executive Rep forums for late April.

I have been asked in my role capacity to be a part of the University's Research Committee, which I

have accepted.

I will be contacting my successor to organise handover details, and hope she will be shadowing me for some of my upcoming meetings. These include Learning & Teaching Committee, PG Society committee on the 3rd of April, and Research Committee on the 11th of April.

SRC Postgraduate Development Convener – Courtney Aitken/TBA

Nothing to report.

Principal Ambassador – Emma Thompson/Ben McAuley

Due to some differing timelines, I believe this will be my last report of the year before I hand over to my successor, Ben McAuley! He and his new team will take over on June 1st, but in the interim he will be taking over my spot on Councils.

We are gearing up for our busiest month of the year, with 3 Visiting Days (3th, 10th, 17th April) and our first Offer Holder Day of the year (6th April). This is your warning now to avoid Pret on these days at all costs. Each event will have at least 600 attendees registered, so looking to be quite a hectic month! My deputy, Iain, has also begun preparations for our Summer Schools.

Rector's Assessor – Camilla Duke

Yesterday, the Rector's Committee hosted our These Islands event. We are opening application for the Rector's Fund at the end of this month, with our new, streamlined application, which is very exciting. We are also continuing to work on the Universal Credit campaign, and we are building support amongst the politically active student societies, most recently the Lib Dems. We are hoping to generate a good deal of media coverage to demonstrate how far the campaign has come.

SRC Member Without Portfolio – Rowan Wishart

Nothing to report.

SSC REPORTS

SSC Broadcasting Officer- Tom Groves

Since elections, I have cleaned up our social media accounts, messaging past committee members to regain access to lots of old STAR pages. I rewrote our constitution, the motion for which will be reviewed on 2nd April. I have also restarted the Musicians of St Andrews Facebook group, rebuilt our AutoTrack database, and installed a new microphone arm and wireless mics in the studio.

Currently, committee applications are open until 31st March. Thanks to everyone who helped publicise this, we have already received more applications than any year on record, with an average of roughly three applicants per position.

Coming up, we have a bonfire event on 31st March with a few other societies. Committee interviews are taking place the following week, and we will also be looking for a new web server to save money. We will be at the "Student Experience Showcase" in 601 on 6th April.

SSC Charities Officer -Frankie Borderie

I am currently in the process of planning our AGM where various positions on our Executive committee will be elected as well as some from our subcommittees.

Race2 has breached the £45,000 donation mark and we are extremely pleased with this as it is yet another year where we have increased the money raised from this event.

We have a 'Secret St Andrews' event coming up as part of On The Rocks and we are excited to see

the results of this.

SSC Debates Officer- Toni Valencia

The Union Debating Society will be having their AGM on Wednesday, April 10. People were given notice through Facebook event invites and our mailing list has sent out a notification of our AGM during spring break to give everyone 2 weeks notice.

We will also hold Treasurer interviews on Tuesday, April 2nd and the decision will be announced at the following committee meeting and training session.

The UDS has also sent out our public debates suggestions form for the next academic year to the students through including in the Sabbatical's weekly e-mail, Facebook posts, and our own mailing list. We have also requested School Presidents to include our form in their weekly e-mail.

In regards to competitive debates, we recently sent a team to UCL and our judge broke in this very competitive competition. Our judge also earned the right to judge the final.

SSC Performing Arts Officer- Manaal Mahjoub

I have been working on scheduling the Mermaids AGM with Jamie and Adam, the date of which should be confirmed sometime this week. The Facebook event will go up soon after.

SSC Postgraduate Officer – Cameron Rice/Blake Purchase

The PG Society have hosted a few new events this past month and are planning more new ones in the coming weeks, chief among which is the St Leonard's College Dinner that is to take place on May 2nd in Lower College Hall. We will also be seeking to have a bonfire event on the coming weeks as the weather warms up.

SSC Societies Officer-Markus Lee

Committee AGM has been set for the 8th of April. I have recently updated all of the documents accordingly (including standing orders, special rules of orders, affiliation agreements, grants forms etc) and will be presenting them to the committee for approval. Currently I am preparing for societies re-affiliation and am accepting applications for society awards. I have also coordinated with Cash Office staff and Building Supervisors to ensure that society trainings are up to date, and that all of the documents are amended properly.

SSC Student Music Officer – Danil Flewelling

Since I got elected as Music Officer I've been fairly busy. I started by putting together a list of everything we need, then proceeded to order around £1100 worth of gear. I then rewrote the constitution and put forward two motions (attached to this email); one to change MiLs name to SAM (St Andrews Music) and one to update the constitution. Apart from that, I've organized a poetry reading performance for LGBT, and worked to get some musicians to play at the mini freshers fayre on the 6th.

SSC Volunteering Officer – Lisa Marie Husby

4. A number of sustainable practices are already in place, following from the University of St Andrews Students' Association's Sustainability Policy (2017).
5. The University of St Andrews has a Sustainable Development Policy & Strategy 2012- 2022 which recognizes and supports the need for an integrated approach to sustainability. The Policy focuses on key areas of improvement such as resource use; waste management; utilities management; environmental management and compliance; travel and transport, among others.
6. The University's 2018-2023 Strategy addresses sustainability and places it alongside social responsibility at its core.
7. The University has a Financial Operating Procedure Sustainable & Responsible Investing policy (January 2014).

9. The University won the Times Higher Education Award for Outstanding Contribution to Sustainable Development in 2010. It won another award for its Biomass Plant, in the 'Sustainable Development' category for the 2017 Scottish Green Energy Awards. It was shortlisted and highly commended for a Green Gown Award in 2018 in the category 'Campus of the Future' for Eden Campus.

4. The proposed Sustainability Policy provides the SA with a structured guide for long-term planning as well as for daily operations and management. Within its framework, the SA can achieve a level of social responsibility and sustainability it is proud of and which fully realizes the expectations of the student body.

This SSC & SRC resolve:

1. To adopt the proposed Sustainability Policy for 2019.
2. To continue to revise the policy annually with the next revision scheduled for January 2020.

Appendix A

University of St Andrews Students' Association's Sustainability Policy (2019)

1. Introduction

- 1.1. This Policy applies to the operations and strategic direction of the University of St Andrews Students' Association (SA). It aims to guide decisions and action by providing an ethical standard and an empirical point of reference. It also provides structural and procedural suggestions for day-to-day operations and management in the Union so as to embed the principles laid out in this policy into the very ethos of the institution.
- 1.2. This policy is one which current students should be proud of, and which future students should benefit from. It will be available to all parties including the general public, and will be provided to all sabbaticals, staff, subcommittees and affiliated societies.
- 1.3. The SA Environment Committee is responsible for advising the Association President or management staff, where appropriate, as to how the policy may or may not be achieving its aims. The former is also responsible for collating ideas and suggestions from the student body as to how the SA can improve its policy.
- 1.4. The Association President is responsible for updating this policy every Spring and bringing a motion to Joint Council. Through this process, the advice of the SA Environment Committee and close consultation with permanent staff should inform any changes.
- 1.5. The SA Board of Trustees is responsible for overseeing the enactment and enforcement of the policy at a strategic level.
- 1.6. The next review shall take place at Joint Council in February 2020 and the following SA Board Meeting.

2. Definitions

- 2.1. Sustainability can be defined as meeting the needs of present generations without jeopardizing the needs of future generations. For the purpose of this paper, sustainability can be divided into three subsets: economic, social, and environmental. These are interlinked not only by their contributions to sustainability, but also by the ethical foundation that must bind them.
- 2.2. In practical terms, economic relates to how investments and means of business have a wider impact on the choices available to future generations; social relates to the responsibility of individuals and institutions to be conscious of the impact their actions have with regard to society and the environment; and environmental relates to using resources wisely and with minimal waste.

3. Policy Statement

- 3.1. The Union has a duty to operate, invest, and conduct its general business in such a way that reflects the ethics, principles and worldview of the majority of the student body, as

voted upon by its elected representatives.

- 3.2. The SA recognizes human-influenced climate change and resource depletion as two of the biggest challenges facing the current generation. We are committed to improving the Union's environmental performance as part of an effort to become more sustainable.
- 3.3. The SA supports the provision and promotion of wider choice in forms including, but not limited to, Fair Trade (as defined in the SA Fairtrade Policy, see appendix b.), vegetarian, and locally-sourced.

4. Implementation

- 4.1. The SA will actively engage with the University's Environment Team, relevant University units, hall reps, and relevant community groups with the view to bring about practical changes needed for the implementation of elements of this policy.
- 4.2. The Association President will convene a meeting of the Sustainability Policy Core Group every 3-4 weeks; membership will include the Association Environment Officer and their committee, relevant permanent Union staff, and those groups mentioned in 4.1. where relevant. This group will explore areas of collaboration and address areas for improvement. It will also be the forum in which the action log is regularly monitored.
- 4.3. An action plan for the Environment Committee, as well as for management staff and sabbatical officers, is integrated into the policy document (appendix a.). It will be monitored regularly and updated annually.
- 4.4. Within the Union, this policy will be actively promoted among student members and volunteers, as well as staff.
- 4.5. There must be a structural change to staff training such that the principles and practices embedded in this policy become part of daily operations as well as managerial oversight priorities.
- 4.6. Successful implementation of this policy requires a cultural change, not only among staff, but also among students. A culture of actively supporting the initiatives and principles laid out in this policy will be cultivated by the SA and Union, in collaboration with the wider community.

5. Waste & Recycling

- 5.1. The SA supports and promotes recycling. We are committed to achieving the best possible level of waste minimization.
- 5.2. In commercial venues, first preference is always given to reusable materials such as glass. Disposable crockery and cutlery are not used unless 100% biodegradable, compostable, or recyclable, except in exceptional circumstances.

- 5.2.1. In commercial venues and at external events, when use of glass would pose a danger to customers and staff, preference is given to biodegradable plastic and polychrome as the alternate materials.
- 5.2.2. The SA's subcommittees are not reimbursed for disposable crockery or cutlery which is not 100% biodegradable, compostable, or recyclable.
- 5.3. Electronic communication is encouraged as the preferable means of communication to that which uses paper resources.
- 5.4. All paper used internally is FSC certified, or similar, and is recyclable.
- 5.5. All student publications are recyclable (FSC accredited, or similar) and unused copies are recycled. Symbols/text on publications encourage students to recycle.
- 5.6. The use of double-sided printing and photocopying for internal administration is implemented as a standard. When purchasing printing equipment, preference is given to equipment that can handle double-sided printing.
- 5.7. All recyclable materials and food waste are disposed of responsibly where practically possible.
- 5.8. Awareness of recycling facilities in St Andrews, and in the Union building, is promoted through joint publications with University departments/groups and community groups.
- 5.9. A disposal point for batteries is provided in the Union building.
- 5.10. The staff kitchen abides by the same guidelines as do commercial venues (as outlined in this Policy).

6. Energy Efficiency & Water Conservation

- 6.1. The SA endorses energy which comes from environmentally friendly sources.
- 6.2. The SA believes that water is a resource which should be conserved.
- 6.3. The SA shall continue to work with the University towards 100% green energy supply as possible, within reasonable constraints, or to otherwise minimize its energy expenditure.
- 6.4. All lights and computers within the Association building are switched off while the building is vacant, except when required for reasons of security. All existing light fittings and light bulbs are low energy.
- 6.5. Heating and cooling control systems are optimised and regulated to minimise excessive use of energy.
- 6.6. All new white goods purchased are checked for energy and water efficiency.

7. Catering & Procurement

- 7.1. The SA's catering provides, and promotes to students, a range of sustainable foodstuffs. This includes, but is not limited to, Fair Trade, vegetarian, vegan, organic, and locally-sourced.
- 7.2. Where the Union sells ethical products, those products are given priority advertisement, shelf space and stocking wherever possible.
- 7.3. The SA actively promotes Fairtrade (in accordance with the SA Fairtrade Policy) in both cafes, the staff kitchen, and in all catering services.
- 7.4. The SA provides for those with religious, political and/or ethical dietary requirements in the Union, within reason
- 7.5. The Bar Manager and Catering Manager regularly check the statements from suppliers regarding their environmental and ethical procedures, certifications, and/or standards. These must be confirmed as being reputable standards before the Union enters into a business agreement with a supplier.
- 7.5.5. Meat and fish should be procured from sustainable sources which do not employ farming methods involving unnecessary animal cruelty. Certifications, such as Red Tractor Standard holders and Marine Stewardship Council, will be checked before a product is bought.
- 7.6. The SA actively promotes free tap water as a sustainable alternative to bottled water, and that where bottled water is available, it is British produced and bottled in recyclable materials.
- 7.7. Vegeware cups for hot drinks are provided in Rectors' Café and Old Union Diner. Reusable cups for hot drinks are sold and promoted in Rectors' Café.
- 7.8. All cleaning products are environmentally-friendly/biodegradable in addition to meeting COSSH requirements for staff safety.

8. Fiscal Practice

- 8.1. The SA endeavors to be a leader in ethical fiscal practice.
- 8.2. The SA will not accept donations from companies who do not comply with the University's Financial Operating Procedure Sustainable & Responsible Investing policy, as a gesture towards good practice, until the SA creates its own sustainable fiscal policy.

9. Travel

- 9.1. The SA actively encourages environmentally-friendly travel options.

- 9.2. The SA actively engages with groups and business which supports cyclists and which offer valuable services to cyclists.

- 9.3. The SA encourages affiliated societies to use environmentally-friendly travel options such as E-car.

- 10.3. The SA promotes sustainability initiatives, in line with this policy, to the wider community.
- 10.4. The SA encourages students to voice concerns and opinions to the Association Environment Officer and Committee.
- 10.5. The Environment Committee will use its mailing list, social media, and outreach to publicise changes which have been made in the Association.

STUDENTS' ASSOCIATION FAIRTRADE POLICY

The University of St Andrews Students' Association assigns great importance to the University's role within the international community, and therefore commits to supporting, selling, and promoting Fairtrade goods. This will be achieved by reaching and maintaining Fairtrade status as defined by the Fairtrade Foundation. The Fairtrade Foundation has outlined five foals for a Fairtrade University , and our commitment to them is as follows: 1

1. Fairtrade products are made available for sale in all Students' Association eateries and bars.

2. Fairtrade products (i.e. tea and coffee) are served at all meetings that require refreshments hosted by the Students' Association, or that take place within Students' Association premises.

3. The Students' Association will promote the sale of (and encourage increased consumption of) Fairtrade products via the following methods:

- Fairtrade materials will be displayed on notice boards promoting commitment to Fairtrade foods.

- Materials will be displayed in every place where Fairtrade products are sold.

- Appropriate information and campaigns will be published on the Students' Association website.

- The Students' Association will commit to running a series of events during the annual Fairtrade Fortnight (March), and will do this in collaboration with relevant bodies where appropriate.

4. Representatives from the Students' Association, and relevant subcommittees where appropriate, will attend the joint Students' Association and University of St Andrews Fairtrade Steering Group. J. 19-6 Motion to restructure the Committee of Saints LGBT+

Notes

1. As a Subcommittee of the Student Association, all students are automatically members of Saints LGBT+
2. In recent years the LGBT+ Subcommittee's activity has increased significantly.
3. Problems have arisen recently with ability to execute large remits.
4. Many students want to be involved in the projects of the LGBT+ Subcommittee.

Believes

1. The activity and projects of Saints LGBT+ are important to students
2. The current structure of subcommittee management puts excessive pressure on certain officers that can and has been damaging to the wellbeing of these volunteers.
3. Roles with a smaller and more clearly defined remit make committee members feel more motivated and valued, and allow them to better balance volunteering with their studies.
4. Some of the proposed officer roles are still demanding, and interviewing candidates will allow all parties to make an informed decision in subcommittee recruitment.
5. The structure of the Saints LGBT+ committee should facilitate as much student involvement as possible across the different projects of the Group.

Resolves

1. To adopt the new Saints LGBT+ committee structure as outlined in the attached appendices.
2. To open avenues for involvement in Saints LGBT+ to people outside of the committee proper.
3. To appoint some officers, specifically those with very demanding remits (as outlined in the appendices) by process of interview with the LGBT+ Selection Committee, and to appoint all others by process of election.

S. 19-1 Motion to Replace the Broadcasting Society (STAR) Constitution

Owner: Tom Groves

In effect from: immediately

Review date: 2nd April 2019

This SSC notes:

Based on the constitutions publicly available at the time of writing:

1. The length of STAR's constitution is 363 words, as shown in Appendix A.
2. The average length of a subcommittee constitution is 1226 words.
3. STAR's constitution lacks guidelines for:
 - The role of each committee member
 - The frequency of committee meetings
 - Who should chair committee meetings in the absence of the Broadcasting Officer
 - The committee application process
 - Procedure when filling committee positions that fall vacant
 - Finance
4. The positions of Assistant Head of Events, Assistant Head of Programming, Assistant Head of News, and Assistant Head of Tech have been appointed in recent years, despite no mention of any assistant positions in the current constitution.
5. As stated in Association Law (Chapter 21, Section 1.3), a core aim of STAR is to "provide additional broadcasting services as should become desirable in the future".
6. Whilst no modification is intended for the title of SSC Broadcasting Officer, the practice of including an additional title (in this case Station Manager) is in line with current constitutions, notably SSC Performing Arts Officer (Mermaids President).

This SSC believes:

1. The level of detail in the current constitution does not reflect the quality of services provided by STAR.
2. The updated role descriptions cover all responsibilities that the positions have entailed in recent years, with reasonable extensions to further the development of STAR.
3. The addition of guidelines concerning the appointment of assistant positions in September will increase engagement with first year students, and allow them the opportunity to be part of a subcommittee. Such opportunities should be considered by other subcommittees.
4. Introducing more of a focus on video-based content fits within the existing constitutional bounds.
5. No subcommittee of the Students' Association currently includes a dedicated video position. Together with the general lack of video content produced by students, there is therefore significant potential for a video-based sub-organisation within STAR.
6. Introducing a Head of Production will improve the brand image of STAR.
7. The assistant positions have been effective in helping STAR to run smoothly in recent years.
8. Introducing an Assistant Head of Web position will significantly increase the rate at which STAR's website is updated and improved.
9. The positions of Assistant Head of Programming and Head of Social Media are surplus to requirements, based on feedback and experience from previous committees.
10. The updated position titles, such as Secretary and Station Manager, more effectively convey the responsibilities of the positions to the general population.

This SSC resolves:

1. To replace STAR's current constitution (Chapter Twenty-Four of the Laws, Appendix A) with Appendix B.

S. 19-2 A Motion to Replace the Music Subcommittee's name to SAM

Owner: Danil Flewelling

In effect from: Immediately

Review date: 2nd of April 2019

This SSC notes:

1. The current name of the Music Subcommittee is Music is Love (abbreviated as MiL).
2. The current Facebook username for MiL is StAndrewsMusic.

This SSC believes:

1. The current name is vague at indicating what the subcommittee stands for and does.
2. The current name is unpopular amongst students and members of the committee.

This SSC resolves:

1. The Music Subcommittee be renamed to St Andrews Music (abbreviated as SAM).

S. 19-3 A Motion to replace the Music Subcommittee's (MiL or SAM) Constitution

Owner: Danil Flewelling

In effect from: Immediately

Review date: 2nd of April 2019

This SSC notes:

1. The current available Music Committee constitution available in the Association laws consists of 613 words. (See Appendix A)
2. The average subcommittee constitution length is 1226 words.
3. The current constitution does not provide descriptions on each of the roles of the committee.

This SSC believes:

1. Several of the roles listed, namely; the Venue Manager, Resources Officer and Mascot are unnecessary.
2. The Roles lack a clear chain of command and span of control.
 - a. Several roles that are labor intensive do not have assistant positions.
 - b. The role names do not accurately define the intensity of the position (for example, convener is music officer and the publicity manager is a director, with two officer positions).
3. The frequency of meetings is too infrequent (2 weeks) and is inaccurate of the actual weekly committee meetings that are currently taking place.
4. The aims are lacking and not accurately convey the current usage of the music subcommittee.
 - a. In previous years the music subcommittee was used as "a fund".
 - b. In recent times the music subcommittee has not lent any money nor equipment out, but has rather run music events.

This SSC resolves:

1. Change the constitution (chapter 20 of the laws) to Appendix B.

19.4 Motion to Restructure the Societies Committee

S. 19-2 Motion to restructure the Societies Committee.

Owner: Markus Lee

In Effect From: Immediately

Review Date: 2 April 2019

It is noted that:

1. The Societies Committee currently has one 'Elections Officer' and two 'Elections Advisers'.
2. The Societies Committee used to send a representative to every society's AGM, however now a representative is only sent if a society requests for it, or if the committee deems it necessary. The remit of Elections Officer and Elections Adviser has therefore been significantly reduced.
3. The Societies Committee currently has the position 'Affiliations Adviser'.
4. The remit of 'Affiliations Adviser' has increased, including managing affiliations, reviewing paperwork and organising training sessions.

It is believed that:

1. The current number of Societies Committee member works well in organising all the responsibilities of the committee.
2. Reducing the number of Elections Advisers will reduce redundancy of committee members.
3. The workload of Affiliations Adviser could be reduced by creating an entry-level position to the role.

It is resolved to:

1. Update chapter 25 of the Laws (Appendix A) and replace it with Appendix B.
2. The role of Elections Adviser will be reduced to one member.
3. The role of Affiliations Officer will be created to take over the responsibilities of Affiliations Adviser, and the original role will be replaced as an entry-level position to the role of Affiliations Officer.

S. 19-5 Motion to Include Outgoing UDS Communications Secretary on Interview Panel.

Review Date: 2 April 2019

Tom Groves – SSC Broadcasting Officer

Manaal Mahjoub – SSC Performing Arts Officer

It is noted that:

1. The Union Debating Society appoints their Communications Secretary through an interview process with currently a four-person panel: the outgoing president, the incoming president, the incoming DoSDA and the outgoing DoSDA.
2. The interview process requires candidates to submit samples of their ability to produce marketing material for the Union Debating Society in addition to their application statement.

It is believed that:

1. The outgoing Communications Secretary should have gained a lot of experience during their term which should be considered in the panel.
2. The outgoing Communication Secretary also has or should have developed graphic design skills. Therefore, should be able to determine whether the portfolio submitted demonstrates skills suitable for the role.
3. In the event that the outgoing Communications Secretary is re-applying for the position, then they should not be on the panel. Instead, the incoming DoSDA should be added to the panel.
4. Logistically, it would be easier to remain with only four people on the panel to ensure everyone can attend. Further, it would reduce any intimidation as it would be a panel of four instead of five.

It is resolved to:

1. Update Chapter 14, Section 5.8 of the Laws to the following:

“The Communications Secretary will be appointed one week following the AGM based on an application including portfolio and interview, with the panel consisting of the outgoing president, the incoming president, **the outgoing Communications Secretary**, and the outgoing DoSDA. **In the event that the outgoing Communications Secretary is re-applying for the position, the incoming DoSDA should be added to the panel instead of the outgoing Communications Secretary.**”
